DESCRIPTION OF DUTIES AND RESPONSIBILITIES

Job Overview

To take a key role in the pro-active planning, design and delivery of the future natural and built environment of Greater Cambridge that is focused on achieving distinctive and high quality places, with special emphasis on the New town at Northstowe, Waterbeach, new settlement at Bourn Airfield, the city of Cambridge and major extensions around Cambridge.

Key Responsibilities/Specific Duties

1. To provide professional landscape advice on major development schemes & infrastructure and negotiate the delivery of high quality places on behalf of the Councils with particular focus on Northstowe, Waterbeach, Bourn Airfield, Cambridge and its major extensions. The advice should be timely, reasonable, clear, robust and realistic.
2. To advice, develop and deliver appropriate design/place strategies, tools, initiatives, assessment methodologies that lead to the creation of distinctive and high quality places and landscapes.
3. To influence, develop, contribute or critique area and topic based landscape policies, guidance including design coding, development briefs, character appraisals, neighbourhood planning, masterplans etc where required.

Job Description

South
Cambridgeshire
District Council

4. To co-ordinate, participate and provide feedback on the development proposals to be put forward to the appropriate design review panel.
5. To liaise with other local authorities and national organisations, prepare and present reports, briefs and recommendations on key urban design issues and actions to Directors Committees, Portfolio holder and Executive Members, Design Champions, to facilitate executive understanding and decision making as required.
6. To provide expert urban design advice for appeals and representing the council at Informal Hearings or Public Inquiries as an expert witness as necessary.
7. To advise the Planning Policy team on the preparation of design policies for the Local Plan, assisting in the preparation of evidence statements and attending public examinations as necessary.
8. To assist the team manager in developing commercial strategies to generate income.
9. To advocate, influence and upskill various stakeholders, internally and externally on good urban design and the creation of high quality places.
10. To assist the Team manager in in the coordinating the direction of the team, supervising, supporting the urban design activities and managing the work of any consultants as required.
11. To participate as part of multi-disciplinary teams to secure the development of high quality built environment within and across the district/city with a specific focus on growth areas
